2:30-6:00 Kindergarten Registration Please call the office for an appointment

Friday, April 17

9:45 Late Start
Professional Learning Session

Teachers will be working on the data driven dialogue with student work and assessments

From the Desk of Miss Mac

Greetings Sageville families & friends,

It's week of the young child! Thanks to all of our educators that work with our students age 3-8! Hats off for their fine work!

Many thanks for some **great donations** that are coming in for Spring Fling. Special thanks to Dan Kieffer for the Nascar items. Loras College has given a \$200 donation for their summer camp 2016!

We need more **baskets, buckets and totes** for the silent auction. Spring garage sales are a great place to pick these up. Thank you in advance for helping us out.

We're still taking **nominations for President & Secretary for PTC** next year. What a great way to be involved in your child's school and collaborate with other involved parents.

PTC has a very important planning meeting coming up for Spring Fling. It will be held on **Monday, April 13, 6:30 p.m. at Eichman's**. If you've attended Spring Fling in the past, you know how much is offered and how much the volunteers are needed to make it a great success. Thanks in advance for your help!

Kindergarten registration is next Thursday! Call for your appointment!

Once teacher assignments for next year are made, we'll be assembling student class lists and students will "fly up" to their new classroom for next year the last week of May. As we construct those class assignments, there are many variables which we consider as we strive for academic, social, and emotional balance within each classroom. We appreciate your trust in us to do this job with the knowledge we have of the many different facets of each child at each grade level as well as the various harmonies and dissonance that can be created when these individuals are combined together. The following outlines the procedure in which to do this:

A request must be made in writing to the principal by **May 1** for the following school year.

These requests must be based on: Strong academic concerns, serious social/emotional concerns, and/or a desire to have sibling, cousins, friends separated.

Parent requests for specific teachers will be considered but are not guaranteed. Thank you for your understanding.

Save the date:
Thursday, May 14
Kindergarten Music
Program
6:30 PM

We are collecting...

Sageville School Garden Supply List

- Garden gloves (adult and kids size)
- Shovels
- Gardening spades

- Garden forks
- Empty milk jugs (Any Size)
- Soil
- Flower seeds
- Herb seeds
- Mulch
- Paint

She's Back! Mrs. Johnson is teaching Two by Two in Grade 2

Shark week at Sageville?

Nah, but our first graders artwork in the hallway has you looking twice!

Counselor Corner-Mrs. Kaiser

During the week of April 7th – 10th I have been in preschool thru second grade. In preschool, we read the book, *How Full Is Your Bucket?* Written by Tom Rath and Mary Reckmeyer. In kindergarten, we did the worksheet *What We Like and Dislike at School and Home*, and related it to our future careers. In first grade, we talked about what we are interested in and our personal strengths and how this may relate to our future careers. In second grade, we learned that interests and activities often

overlap. We also discussed the 6 career paths (health, helping, fixing, building and technology, nature, creative and business path) and how our interests and activities fit in a career path. Next week I will be in grades 3-5 discussing careers.

Don't forget: Join us at the end of the month for our celebration assembly! Your child may be nominated by their teacher for good character.

Tips for Parents: A leader is one who knows the way, goes the way, and shows the way.

Sageville School Track 2015

We are still in need of a couple parent volunteers to assist with the district track meet Thursday, April 30th.

We need help starting at 4:15 when students arrive until the end of the meet. Coaches will be on the track and in the field with the athletes. We need a parent to be with the athletes not participating and help the athletes know where they need to be.

Please email Jesse Freiburger if you could assist or give him a call.
