Professional Learning

**Bring your smiles to  
school on Tuesday  
for spring picture day!**

**Friday's Professional Learning  
Data Driven Dialogue  
continues with winter  
math data**

## From the Desk of Miss Mac

Greetings Sageville families & friends,

115 Sageville skaters enjoyed last night's event at Skate Country. Thank you to PTC for organizing this activity.

There was 100% attendance at Parent/Teacher/Student conferences, even with the arrival of some slippery weather. Thank you, parents & students, for coming!

Book Fair's total sales was \$2628.15 with \$1314.08 profit. We also received \$394.23 in bonuses for a grand total of \$1708.31. 136 new books were purchased for our library. The book fair will be back on May 8th for Spring Fling!

The teachers enjoyed a fantastic lunch and dinner which was provided by our parents, PTC, and The Barn. While conferences are an exhilarating day for the staff, it is also exhausting. The hospitality provided by Sageville families is very much appreciated.

And, lastly, the new sound system work in the gym has begun. Boy, is it going to make a difference! Thank you for all of the fundraising efforts to make this possible.

A super response to the Box Tops was received. We will be getting a check for over \$700.00. It sure pays off to save them and send them to school. The winners are:

1st Place-Gr. 4 Mr. Haller

2nd Place-Gr. 1 Mrs. Cervantes

3rd Place-Gr. 2 Mrs. Johnson

Our Caps for Your Cause is around 815 caps, we need 1000 to get a check. Just enter the label off your milk cap or send them to school.

Thanks to Jess Olechowski for managing the Book Fair, Box Tops and Caps Cause!

All of the events and activities that PTC provides for our school is over the top. That happens from the parents who make it happen. Consider being a member of this very important group. There will be openings for President and Secretary next year. Our next meeting is Monday, March 16th, 7:00 p.m. in the staff lounge. Consider coming and checking out the possibilities. Keep the momentum going!

Our nurses and health paras provide many services for Dubuque Community students and staff. Please visit the district's health services website <http://www.dbqschools.org/district/departments/health-services/> which provides A variety of information, including the recent outbreak of measles.

## Health Services

The nursing staff of the Dubuque Community School District strives to provide compassionate and comprehensive health services for your child. Our professional, experienced staff is able to meet a variety of healthcare needs for your children while attending school. In addition, we promote prevention and wellness and provide access to care for students to stay healthy, safe, and ready to learn. We understand that a healthy lifestyle is key to your child's overall well-being, academic success, and lifelong achievement.

### Services provided by school nurses include:

1. Promotion of healthy life styles.
2. Identify health concerns by observation and assessment of needs.
3. Health care counseling or guidance to students, their family, and staff.
4. Guidance in chronic disease management and assist with access to care in collaboration with community agencies and medical providers.
5. Medication management.
6. Immunization verification according to state guideline requirements.
7. Screenings: vision, dental, hearing, height and weights

## Counselor Corner-Mrs. Kaiser

During the week of March 2nd – 6th I have been in preschool thru second grade. This month I will be covering life changes and loss. In preschool we read the book *The Old Dog*, we then discussed how we felt or would feel if we lost something we loved. In kindergarten, we watched a small video and talked about the life cycle of a flower. In first grade, we watched a video on an animal who lost its friend. The students then made memory tags of something they've lost and pinned it to their tree. In sec-

ond grade, we watched a video on life cycles and discussed coping skills we could utilize to make ourselves feel better after we've lost something we loved. Next week I will be in grades 3 thru 5.

Don't forget: Join us at the end of the month for our celebration assembly! Your child may be nominated by their teacher for good character.

Tips for Parents: If your child is experiencing grief, set aside time to discuss their feelings and what coping skills would be appropriate for them to utilize.

### **Save the Date:**

### **Spring Fling**

**Friday, May 8th, 5:30-  
8:00 p.m.**

### **Raindate:**

**Friday, May 15th**
