Looking for a fun way to get your family outdoors for the summer and help a great cause? Sageville is looking for families who are interested in adopting the garden over the summer. You can commit to just one or several days. Responsibilities include weeding, water, and harvesting. Please email rperry@dbqschools.org to sign up.

"Space School" movie will be shown on Tuesday, May 26th, 6:00 p.m. at Mindframe Theatre for FREE. All are invited. Concessions will be available for purchase.

The ponies from M & M Ranch were a big hit again this year!

I'm pleased to announce that our Clarke University and Dubuque Community School District 4+1 proposal from Kristina Herr has been accepted for the 15-16 school year. Mrs. Herr will work alongside Miss Kylie Kruse in Kindergarten next year. Miss Kruse is a certified teacher and will share the classroom. Mrs. Herr will also work on collaborative inquiry and technology with Sageville teachers.

Mrs. Rambousek and Miss Halfhill have partnered in fourth grade this year. Mrs. Rambousek worked on differentiation with all grade level teachers this year.

We are fortunate to have this partnership!

Master Gardeners and Sageville students and staff begin the work on Phase I of our garden project!

The Dynamic Duo of Spring Fling Planning: PTC President Tina Smith & Vice President Lindsey Schreiber! Their leadership was a strong foundation for a great event!

All Sageville parents & staff are commended for such a successful & fun event.

Counselor Corner-Mrs. Kaiser

During the week of May 11th – 15th I have been in 3rd thru 5th grade. With the end of the year right around the corner, our focus is on transitioning into the next grade level. Third and fourth grade had students in the grade that they will be entering next year come in and talk about Lead 21, math, science, social studies, expectations, field trips and what else they can expect for the 2015-2016 school year. Fifth grade watched a slide show of Jefferson and Roosevelt Middle School and also practiced com-

binations on a padlock. Students had time at the end to answer any questions from the grade level they were presenting to. Thank you Frankie Cretsinger, Lydia Hefel, Lia Olechowski and Haley Jellison for representing their grade level! Next week I will be ending my small groups. Don't forget to attend our end of the year assembly on May 28th @ 2:00!

Tips for Parents: As the school year comes to an end students start to experience anxiety about the unknown of next year. Discuss with your children your plans and expectations during summer and for next school year.
