Friday's Professional Learning

Teachers will use the four phases of the Data-Driven Dialogue of prediction, go visual, observe and infer/question our K-5 Fall DIBELS data

From the Desk of Miss Mac

Greetings Sageville families & friends,

Have you checked out the landscaping in front and side of the school? Many thanks to the Cub Scouts and their parents for this fantastic project. The rock was delivered yesterday so that is the last phase. Our PTC funded the curbing, plants and rock. We are very grateful.

Halloween is around the corner. Please do not send any treats to school, as we will be following the district wellness guidelines. Your child's teacher will contact you if they need anything. Thank you!

Check out the Lost & Found in the main hallway. Lots of items!

Over 70% of our parents are already registered for Parent/Teacher/Student Conferences on October 22nd & October 23rd. The window will close next Friday. Call the school office if you need assistance. There is no school on Friday, October 24th.

There was an article on school attendance in the Telegraph Herald this week. A student's instruction can not be replaced if they are absent. The average student misses about 6 days per year. I will contact you if there are concerns about your child's attendance. Nurse Tammy and our health professional, Barb Callahan, are here to help.

Here's the early crew that assisted with the landscaping project after school this past Monday. Many thanks to all of the cub scouts, leaders and parents who helped out!

Dubuque Fighting Saints tickets are now on sale for Sageville Night!

Bring exact cash or check to Sageville School Office to buy tickets for our school night on Friday, November 7th. The Fighting Saints will be playing against the Green Bay Gamblers.

Tickets are only \$9.25 (regular day of game price \$13.95)

The Fighting Saints will be presenting a program on character at our next assembly which will be October 28th at 9:50 a.m.

A.Y.McDonald has generously donated their sky box for this game. Miss Mac will be drawing tickets for lucky students and staff tomorrow!

PTC Sageville Discount Cards are now available. They are \$10.00! Our school gets to keep \$9.50 for every card sold.

There are 33 businesses that offer fantastic discounts and the cards are good until September 30, 2015! Great gift to give a friend or family member. In order to be eligible for prizes, please turn in your money to the school office by **Thursday, October 30th**. Thank you for your support.

FYI

Meet Mrs. Staci Walsh, Sageville & Carver's Gifted and Talented Teacher. Stop by her office right outside the gym during conferences. Her hours will be 4:00-5:30 on October 22nd and 2:45-7:15 p.m. on October 23rd. If you'd like a specific time for a conference, please call the office. Thank you!

All students are receiving a letter today from our school district in regards to permission to access educational software. Please sign the form and send it back to the school office as soon as possible. If you have any questions or concerns, you may call or email Mr. Dyer, our Technology Coach or myself. Thank you!

Next week is National Hot Lunch Week! The district has new food items that are highlighted this month. The theme is "Get in the Game with Hot Lunch. The students will see Mrs. Bauer and Mrs. Gruber in the groove in their sports apparel. Join in! Students are encouraged to wear their favorite sports team wear. Thursday is lucky tray day. Students will look for a special sticker under their tray for great prizes. Don't forget that if your family's financial circumstances change that the free and reduced lunch forms can be filled out at any time. They are available in our office or at the dis-

Counselor Corner-Mrs. Kaiser

During the week of October 6th – 10th I have been in third thru fifth grade. This month our focus is on conflict resolution. In third grade, we watched a bully video that explains different types of bullying, discussed why some people bully and discussed what we should do if we are being bullied. In fourth grade, we reviewed the bullying video, why people bully and what to do if you are being bullied. Fourth grade students also learned what harassment is and the protocol that the DCSD takes when a bullying and harassment issue is reported. In fifth grade, we reviewed the bullying video, why people may bully, what to do if

you are being bullied, the DCSD bullying and harassment policy. Fifth grade students also learned that there is a bully law and the effects of bullying. Next week I will be working with various small groups.

Don't forget: Your child may be nominated by their teacher for a character award. Please join us at the end of October to acknowledge our students with great character!

Tips for Parents: Every 7 minutes a student is bullied, please discuss with your child how they would handle a bullying situation at school, home, and in the community.
