Sageville Elementary Newsletter

May 10, 2018

From the desk of Miss Mac:

It goes without saying that the end of the school year can be exciting and hectic. At last week's assembly I used the analogy of the end of the school year and going through a finish line. While it is a gratifying feeling to get to the end, it's *how* you finish that counts. Here's my wishes for all staff and students who are counting down to June 5th:

FINISH STRONG!

Parents, thanks for your constant encouragement as we get closer to the end of the school year.

Many thanks to our PTC, parents, student council and Ms. Huinker for a great teacher appreciation week. A great breakfast, fabulous lunch from The Barn and our treasured Sageville calendars are very much appreciated. Thank you to all the students and parents who sent cards and notes to their teachers.

A special shout out to Mrs. Long and Mrs. Murray for working many hours to restore the outdoor classroom and butterfly gardens.

Sageville's PTC

You must be present to pay and collect your basket if you are the highest bidder at the end of the Silent Auction. If you are not available, please make sure you have someone there for you to pay and collect it. Thank you!

Thank you to the parents who were able to sign up to assist with Spring Fling. The volunteers are what makes this so successful.

Counselor Corner...Mrs. Kaiser

During the week of April 30th – May 4th I have been in kindergarten thru second grade. During the month of May, our focus is on transitioning to the next grade! Each class learns about the next grade level in the areas of Language Arts, Math, Science, Social Studies, expectations and anything new to that particular grade level. A big thank you to Tommy White, Jillian Schmitt, Nevaeh Jameson, Mataya Bahl, Wyatt Crosby and Emma Sarazin for representing and being the expert of their teacher's classroom! Next week I will be going into grades 3rd-5th.

Tips for Parents: Do you want your children to experience social interaction through the summer? Check out the links provided for some summer activities.
