Sageville Elementary Newsletter

May 24, 2018

From the desk of Miss Mac:

An absolutely huge thank you to our PTC officers and parents who baked for the bake sale, donated items, and worked at the event which brought it all together for a memorable Spring Fling last Friday evening! As you can imagine, the behind the scenes work happened during the last several months. Special thanks to Angela Nauman, Denice Genthe, Jenny Calondar and Jess Fens who made the event happen! Thank you to Erin Neises who organizes the fantastic book fair. The position of PTC treasurer and vice president are open next year. Please consider joining this dynamic group of parents!

The last day of school is Tuesday, June 5th. Students will be bringing home their progress reports in their school folders. Over the summer you will receive a district and Sageville mailing with all of the details for next school year. The school calendar for next year is posted on the district's website and you will receive a copy over the summer.

Please see the calendar of events to the right as there are many great events and activities as we end the 2017-18 school year! If you'd like to help out on Field Day, please call the school office. Thank you!

There are many items on the Lost and Found table. Stop by to check it out.

Calendar of Events

Julia's expression captures the excitement of Spring Fling!

The bounce houses were a big hit and had lots of action Friday night!

Rocks!

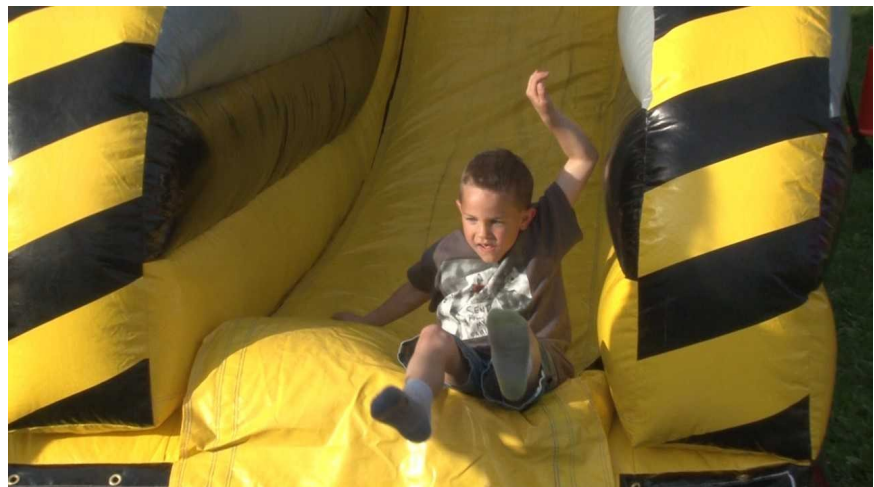

Turn in your Box Tops in by the end of the school year for our summer mailing. Many thanks to Kelli Splinter for heading up Box Tops this year!

Counselor Corner...Mrs. Kaiser

Now is a good time to start making a bucket list for summer fun activities. This is a great activity for the whole family to do together. You will be surprised at how creative your children are and where some of their interests lie. A fun way to show interests for this summer is to write ideas down on a poster board, give each family member a different sticker, and have them place the sticker next to the activity they are most interested in. Two good reasons to veto an activity is for safety and financial concerns. The activities with the most stickers should be added to your summer bucket list.

Tips for Parents: Do you want your children to experience social interaction through the summer? Check out the links provided for some summer activities.
