## From the desk of Miss Mac:

The big event we've been waiting for all year is just around the corner: Spring Fling! Unfortunately we are ending up short-handed in volunteers. To date, only 22 parents have signed up to help for a 1 hour shift. This barely covers the gate and bake sale. We have 5 bounce houses that need 8 adults each to manage. Please reconsider 1 hour that you could donate that evening! The form is in your child's Thursday folder. Let's make it great, Sageville!

Next week marks the annual recognition of teachers everywhere, and especially at Sageville Elementary. Take the time to have your student write a note of gratitude and appreciation. Teachers inspire, motivate, and assist in building the futures of our students.

We finished our year of yoga with Challenge to Change Wednesday with a finale. Please copy and paste the link to take a quick survey regarding your child's participation in the yoga and mindfulness program at school. It should only take 10-15 minutes of your time. Your answers will be anonymous and your responses will be used for research purposes.

Our local "Battle of the Books" was held last Friday in our gym. We had seven teams of 4th and 5th graders participating. They all worked very hard and it was a great competition. Moving on to the district tournament are Jase Canfield, Lindsey Freiburger, Brody Schmitt, Molly Slover and Ella Schmelzer! Thank you to Mrs. Laurie Brimeyer, Mrs. Butler and Mr. Dyer for their assistance.

## Counselor Corner...Mrs. Kaiser

During the week of April 30th – May 4th I have been in kindergarten thru second grade. During the month of May, our focus is on transitioning to the next grade! Each class learns about the next grade level in the areas of Language Arts, Math, Science, Social Studies, expectations and anything new to that particular grade level. A big thank you to Tommy White, Jillian Schmitt, Nevaeh Jameson, Mataya Bahl, Wyatt Crosby and Emma Sarazin for representing and being the expert of their teacher's classroom! Next week I will be going into grades 3-5.

Tips for Parents: Do you want your children to experience social interaction through the summer? Check out the links provided for some summer activities.
